Our Team

The Round Group is a small, women- and minority- owned business that brings together experienced leaders from multiple disciplines including Healthcare, Economics, Public Policy, Impact Financing, Academia, and Food Systems.

Co-Founders

Fiorella Bianchi, MPH

Fiorella co-founded the Round Group to bridge the gap between knowledge and action to effectively apply evidence into policy and practice. With a master's degree in public health in Developing Countries from the London School of Hygiene and Tropical Medicine (LSHTM), Fiore brings broad experience in Master level research and analysis on a variety of public health issues and emerging trends, as well as comprehensive assessments on IP, policies, and regulations in the areas of medicines, nutrition, and the environment...

Maria Eugenia Schwermer, MPH

Maru's trajectory as a Global Health Consultant with almost 20 years of progressive experience in public health policy builds upon a solid scientific formation. Her background includes microbiology & biotechnology laboratory research, including on HIV and infectious animal diseases; social marketing and health communications work for USAID-funded programs in Latin America and the Caribbean, including an avian and pandemic influenza strategy, an AMR initiative, and an Amazon malaria initiative; and policy work on multiple and diverse issues in health seeking to strengthen health systems, improve equity and quality in healthcare, and advance cross-sector partnerships...
